Happy New Year! Below is our program of speakers for the spring. We look forward to seeing you at the lectures and invite you to join us at the receptions immediately following each talk. For additional information about our program or AIA membership, please contact Mary Voyatzis at the above phone number or via e-mail at MEV@u.arizona.edu. Please note that all of our lectures this spring will be held in the Modern Languages Auditorium (in the Modern Language Building, next to the Administration Building, south of Second Street and Highland Avenue). There is a multi-storied parking garage located at this intersection on the south side of Second Street. I would like to remind you that the Phoenix chapter of the AIA also has a full program this spring. For details about their offerings, please contact Michael Pechacek (602-439-5948). All AIA lectures are free and open to the public.
