

ARCHAEOLOGICAL INSTITUTE OF AMERICA

Tucson Society

Department of History
Social Sciences Building #215
University of Arizona
Tucson, AZ 85721-0027
520-626-8428

The Tucson Society of the AIA invites you to join us for an invigorating program of events this season. All members, friends and guests are encouraged not just to attend the illustrated lectures, but also linger for the stimulating archaeological chit-chat at the receptions following each presentation. For those coming from off campus, the closest parking garage for Speech & Hearing and for Chavez is the one on Second Street, between Mountain and Highland, located in close proximity to the Student Union. For updates on lectures and locations and AIA membership, please contact Alison Futrell at 520-626-8428 or via email at afutrell@u.arizona.edu. Another firing of the Tucson Society's ancient Greek kiln is on the program; spectacular desert venue and vivid sunset views enhance this opportunity for hands-on archaeological experimentation and insights into ancient ceramics technology. For more information about your local AIA, and photos of the kiln in action, visit our website at <http://aiatucson.arizona.edu/>. Many thanks to the AIA and the Departments of History and Classics for their sponsorship.
