The Tucson Society of the AIA invites you to join us for a rich program of talks this spring. We look forward to seeing you at our lectures and at the receptions following each talk. Please note the location of four of the five lectures in the **Modern Languages Building**, in the auditorium. One of the lectures will be in the **Center for English as a Second Language (CESL)** (see enclosed map). CESL is located on North Campus Drive, north and west of Old Main. The closest parking garage for both locations is the one on Second and Highland Streets. **THE LECTURES WILL TAKE PLACE AT 4:00 P.M. THIS SEMESTER.** If you need additional information about our program or AIA membership, please contact Mary Voyatzis at the above phone number or via email at [MEV@u.arizona.edu](mailto:MEV@u.arizona.edu). The Phoenix Chapter of the AIA is also offering a full and interesting program of lectures again this spring. For more information about their program, please contact Michael Pechacek (602-439-5948).
