The Tucson Society of the AIA invites you to join us for an exciting program of talks this fall. We look forward to seeing you at our lectures and at the receptions following each talk. Please note that all lectures will be held at 5:00 p.m. in the Center for English as a Second Language (CESL) (see enclosed map). The closest parking garage for this building is the one on Second and Highland Streets. If you need additional information about our program, AIA membership, or directions to the buildings, please contact Mary Voyatzis at the above phone number or via email at [MEV@u.arizona.edu](mailto:MEV@u.arizona.edu). The Phoenix Chapter of the AIA (the Central Arizona Society) is also offering a full and interesting program of lectures again this fall. For more information about their program, please contact Elizabeth Griesman, President (623-439-0297; [Elizabeth.griesman@asu.edu](mailto:Elizabeth.griesman@asu.edu)). We would like to remind you also that Dr. Hasaki will be building the Greek kiln in the middle of October, using the money she won from an AIA Local Society Incentive Grant. For more information, visit our website at <http://aiatucson.org/>. Our website is maintained by John Papageorgiou.
